Welcome to Super Summer!

We are so glad that you have chosen to spend this week as a sponsor. The life you touch this week could change the world in the days ahead.

The Purpose of Super Summer is for youth to:

KNOW JESUS (John 17:3)

GROW IN JESUS (Colossians 2:6-7)

SHOW OTHERS JESUS (Matthew 28:18-20)

Please join us in prayer that this purpose will be accomplished!

Super Summer 2023 Staff

ORIENTATION NOTES

1. Sponsor/Staff Prayer Meeting daily at 7:15 A.M. in MP Commons.
2. Church group leaders and sponsors should be a team! Likewise, please cooperate with other group's leaders.
3. Sponsors:
 - ◆ You are responsible for your youth at all times.
 - ◆ Go over and enforce the guidelines.
 - ◆ Get them to the right places at the right times.
 - ◆ Set the example for our youth to follow.
 - ◆ If you have a problem, talk to a staff member. We want to help!
 - ◆ Any damage to your room will be billed to your church.
 - ◆ Help your youth stay hydrated.
 - ◆ Make sure your students take their meds.
4. Enforce lights out and all quiet. Each room should have at least one adult who is responsible for security each night, i.e., the last one to go to sleep.
5. Warn the youth about possible thefts of their belongings. WCC, KNCSB and Super Summer are not responsible for lost items.
6. Please obey all traffic signs and park your cars on pavement, not grass. Youth are not allowed to drive on campus. If you have a physical need, talk with the Camp Director.
7. Food cannot be brought from town to the Church Group Meetings. Likewise, group trips to town are not permitted.
8. Thermostats are located in the hallways and should be kept at 72°. To help with proper circulation, prop open all doors after lights are out and when the room is not being used to change clothes.
9. Guidelines for Guests:
 - ◆ Guests are required to obey all guidelines, including dress code.
 - ◆ Guests may attend Evening Worship and Late Night, but will be asked to leave campus during the Church Group Meetings, unless otherwise approved by the Camp Director.

WHY WE DO WHAT WE DO

B.L.A.S.T Games: (Bringing Leaders And Students Together) Mass group games involving everyone at camp. Usually held after the morning sessions. BLAST provides opportunities to relate to students in new ways.

Challenge Course: Groups can sign up to participate in the many elements around campus. Descriptions of each element and location can be found on page S-8.

Church Group: Your church group will meet in an assigned location after Worship to debrief the day. Your morning quiet times will be in the same location.

Curfew: Having a curfew is based on the desire for students and sponsors to get enough sleep in order to enjoy camp to its fullest. We want students to make solid decisions that will last a lifetime, not just emotional responses that are quickly forgotten.

Dress Code: Our purpose for a dress code is to decrease distractions so students and sponsors can focus on God. Because everyone is at a different place in their walk, we have provided guidelines for camp.

Extra B.L.A.S.T: A representative group from each color team will compete in these games, usually held after lunch. Extra B.L.A.S.T provides an additional opportunity to make connections and build relationships with students.

Family Groups: Within their color groups, students are divided into younger and older youth groups. These smaller groups have two sessions in the morning: one with the camp pastor and the other with the Collegiate Staff. This time allows for discipleship and relationship building with the camp pastor and Collegiate Staff.

Late Night: After Church Group time, there is one last opportunity to have some fun and be a little crazy!

THINGS TO KNOW

Common Abbreviations Around Campus:

A/B: Chapel A/B is a conference room on the main floor of the Chapel (right next to the sanctuary). This is the location of the Super Summer store, and where you come to sign up for Challenge Course elements for the next day.

MP: The Multi-Purpose building. This is where the gym is located and many churches will find their group meeting places. There is the MP Commons area (lower level) where registration is located and MP Chapel (upper level) where the sponsor orientation takes place.

KP: Kitchen Patrol - or as it is fondly referred to as “Kitchen Party”. Each church group is assigned to help with one meal. Students help serve food, clean dishes, refill cups and clean up.

Severe Weather:

Under extreme conditions, the following buildings are recommended in this order:

- ◆ The Dorm: Go to the ground floor sleeping rooms and close the doors to the conference area and get under the beds on the floor.
- ◆ The Dining Hall/Main Lodge: Go to the serving area between the eating area and the kitchen.
- ◆ Chapel: Go to the ground floor hallway next to sleeping rooms.
- ◆ Multi-Purpose Building: Go to the ground floor restrooms.

Maintenance Needs:

Inform one of the WCC Staff before 5:00 p.m. of any maintenance needs, unless there is an after hours emergency.

CLEAN-UP PROCEDURES

It is the policy that all groups attending camp clean their areas before leaving.

PLEASE help the WCC Staff because others are checking in the same afternoon you check out.

If you finish your dorm room before the time is up, you can clean a common area.

Empty ALL trash containers (in your sleeping room and bathroom) into the outdoor dumpster along the road on Thursday and Friday and return containers to original areas. Wash if needed. Once emptied, make sure no trash is put back into the containers on Friday.

Pick up ALL trash off the floor before vacuuming. Vacuum carpet in your dorm area and return the vacuums to the storage area.

If you have moved the bunks in your room, return them to their original location.

DECISION PROCESS:

This is just a suggestion. You may devise your own plan!

1. During your evening Church Group Meeting, ask the students to vote on the number one element they want to do.
2. The element with the most votes will be your first choice for sign up on Monday night.
3. Take a show of hands to determine how many students want to participate on your first choice.
4. You may then vote on second and third choice to be prepared for the sign up on Tuesday and Wednesday nights at 10:10 p.m., or in case your first choice is unavailable.
5. Take this information to the Challenge Course sign up table at 10:15 p.m.
6. Stress with your students that if they say they are signing up for the element, attendance is required.
7. Repeat this process on Tuesday and Wednesday evenings.
8. On Tuesday night, bring the names of graduates who want to do the Big Zip.

All sign-ups will occur in Chapel A/B each evening at 10:15 p.m.

The following notes are intended to assist you in facilitating good discussion with your kids. While there are no formal lessons during this time, we want to encourage and come alongside you to empower your kids to share what is going on in their lives and in their hearts. Below you will find Do's and Don'ts aimed at enabling such conversations:

DO:

Explain to your kids that every night you will open up with the same question: "What has God been teaching you today"? Tell them to be thinking on this question throughout the day. Remind them in the morning at quiet time. Ask them on the path to the ropes course. They may be slow to answer at first, but likely by the end of the week you won't be able to get them to stop talking.

DON'T:

Expect them to talk if you won't. If you want them to share what God is teaching them, then share what God is teaching you.

DON'T:

Use this time to preach at them. Share and then get out of the way. If you dominate the time, you let them off the hook without opening up and sharing.

DO:

Use positive reinforcement. For some of your kids, speaking out in a group setting is a HUGE DEAL. Encourage the group to clap for each other, and thank people for sharing. It will begin to foster a culture of openness.

DON'T:

Let one kid dominate conversation. Find kind ways to open the floor to others. Encourage them while not being overrun by them.

DO:

Come prepared with additional questions. Maybe from the lesson, maybe

CHURCH GROUPS

from ropes course, really from anywhere. If you see something that could lead to good discussion, jot it down and bring it with you.

DON'T:

Miss the big things. If you have kids who have made decisions, start there! Celebrate salvations, renewed commitments, etc. because they are a big deal.

DO:

Challenge student leaders in your group before group time. Sometimes seeing another student open up is all that is needed to feel bold enough to do the same. Ask those youth to be ready to be called on and let them know the questions in advance.

DO:

Use open-ended questions. If a kid can answer “yes” or “no”, they will. For example, instead of asking if they learned anything in the service, ask what they learned in the service.

DO:

Lean on your volunteers. If you came with a big group, let your adult volunteers shoulder some of the weight. They may see things throughout the day that would allow them to have insightful questions or thoughts that may get the ball rolling.

We hope you find this helpful. You may experience some weird moments, awkward silences and nervous laughter. But at the end of it all, we believe this time will be more impactful and long lasting if the students step out of their comfort zones and are able to share. We are praying for you and excited to hear what God is doing in your groups.

The following pages give some ideas for conversation starters that may help get the ball rolling.

CONVERSATION STARTERS

How do we get people to talk about spiritual things? How do you start that conversation which may lead people into a relationship with God?

This list is not designed to be pulled out and read as you start talking to someone. These are given to demonstrate a variety of ways that a conversation can be steered to a deeper level.

1. Who is Jesus to you?
2. Do you believe Jesus is who He claimed to be?
(God's Resurrected Son, Our Savior, Our Friend, Our Healer, Our King, and Our Final Judge.)
3. Do think that God loves you?
4. What questions do you have about God or faith that have not been answered?
5. What is the gospel?
6. What are the most important things to you in life?
7. What are the most important characteristics to you in people?
8. What is a goal you would like to accomplish as a young adult?
9. What are the most important things you want to accomplish as an older adult?
10. Are you hopeful about your future? Have you ever felt hopeless? Why?
11. One a scale of 1-10, rate your relationship with God lately.
12. Is anything holding you back from a better relationship with God? What?
13. What kind of person do you honestly think God wants you to be? Why?
14. What would you say are your biggest losses so far in life?
15. What are some things that make you happy?
16. What makes you sad?
17. Where do you think you'll be in 10 years?
18. Do you believe heaven is real? Do you think you'll go there when you die? Why?
19. Do you believe in hell? Who do you think will end up there? Why?
20. Do you think our greatest struggle is with difficult people, or with evil spirits?

RESOURCES FOR HERE AND AT HOME

Every Picture Tells A Story (Photo Cards)

(available to purchase at theyouthcartel.com)

We have several sets of these photo cards available for use during church group times. These may be especially helpful if your group is having a hard time opening up.

Some ideas to try in your church group:

Lay out the cards and ask the students to select a card that represents:

- How I view my relationship with God.
- What faith looks like.
- An area in my life where I need to grow.
- A way God has shown Himself to me this year.
- A characteristic of God.

(Feel free to come up with your own ideas as well.)

Ask students to share their ideas; you are not looking for “right answers”, but encouraging students to share their own perspective and open avenues for communication.
