Welcome to Super Winter!

Take this time to pull back from the busyness of your daily life and really listen for God's voice and His leading. Quiet Time- Saturday

1 Thessalonians 5:23-24

Scripture: Read the passage at least twice: once at a regular pace and a second time more slowly to focus on each word.

“May God himself, the God of peace, sanctify you through and through. May your whole spirit, soul and body be kept blameless at the coming of our Lord Jesus Christ. The one who calls you is faithful, and he will do it.” —1 Thessalonians 5:23-24 (NIV)

Observations:

Sanctify means to make holy or set apart for God. Sanctification is the process of becoming more like Jesus.

- How do you see God making you more like Jesus?
- Why is it important that God is the one who sanctifies us?
- What does “whole spirit, soul, and body” mean to you?
- Which area—thoughts, emotions, actions—needs the most work in your life?

- **Why does God care about every part of who you are?**
- **What does it mean that “the one who calls you is faithful”?**
- **Can you recall a time when God was faithful to you?**
- **How does this truth give you confidence in following Him?**

Application:

- **How can you trust God’s process of making you holy?**
- **What areas of your life do you struggle to trust God with?**
- **How can you remind yourself that God is at work in you daily?**

- **How can you live blamelessly in your everyday actions?**

- **What specific words or actions need God's help?**

- **How does your behavior show your faith to others?**

- **How has God's faithfulness been evident in your life?**

- **How can you celebrate God's faithfulness in your daily life?**

- **How does focusing on His faithfulness help you face challenges?**

Prayer:

- What would you like to say to God about this passage?

- Is there something specific you need His help with?

- How can you thank God for His faithfulness?

Share:

- Who do you know that needs encouragement about God's faithfulness?

- How could you share what you've learned?

- Why is it important to share what God is doing in your life?

Additional Study:

For further study, read **Philippians 1:6**. Use the **SOAPS** (Scripture, Observations, Application, Prayer, Share) method to explore this verse.

Quiet Time- Sunday

Philippians 4:6-7

Scripture: Read the passage at least twice: once at a regular pace and a second time more slowly to focus on each word.

“Don’t worry about anything; instead, pray about everything. Tell God what you need, and thank Him for all He has done. Then you will experience God’s peace, which exceeds anything we can understand. His peace will guard your hearts and minds as you live in Christ Jesus.”

—Philippians 4:6-7 (NLT)

Observations:

The word “instead”, used in verse 6 implies two potential choices of action during tough times.

- What are the two competing options given here?

- Which does the Bible call us to and why do you think that is?

- How do these verses describe the peace God offers?

- **How is God's peace different from just feeling calm?**
- **How can that kind of peace guard both your heart and mind?**

Application:

- **What's something you're worried about right now?**
- **How could you turn that worry into a prayer?**
- **Could you try thanking God for something at the same time?**
- **How can you focus on God's peace this week?**
- **If you start feeling anxious, what can you do to remind yourself of this verse?**

• **Who can you talk to about trusting God when you're feeling overwhelmed?**

• **How can you help someone else find God's peace?**

• **Do you know a friend or family member who is worried?**

• **How can you share this verse or pray for them?**

Prayer:

Take a few minutes to pray:

- **Tell God about something that's been bothering you.**
- **Thank Him for listening and for all the good things in your life.**
- **Ask Him to give you His peace and help you trust Him with your worries.**

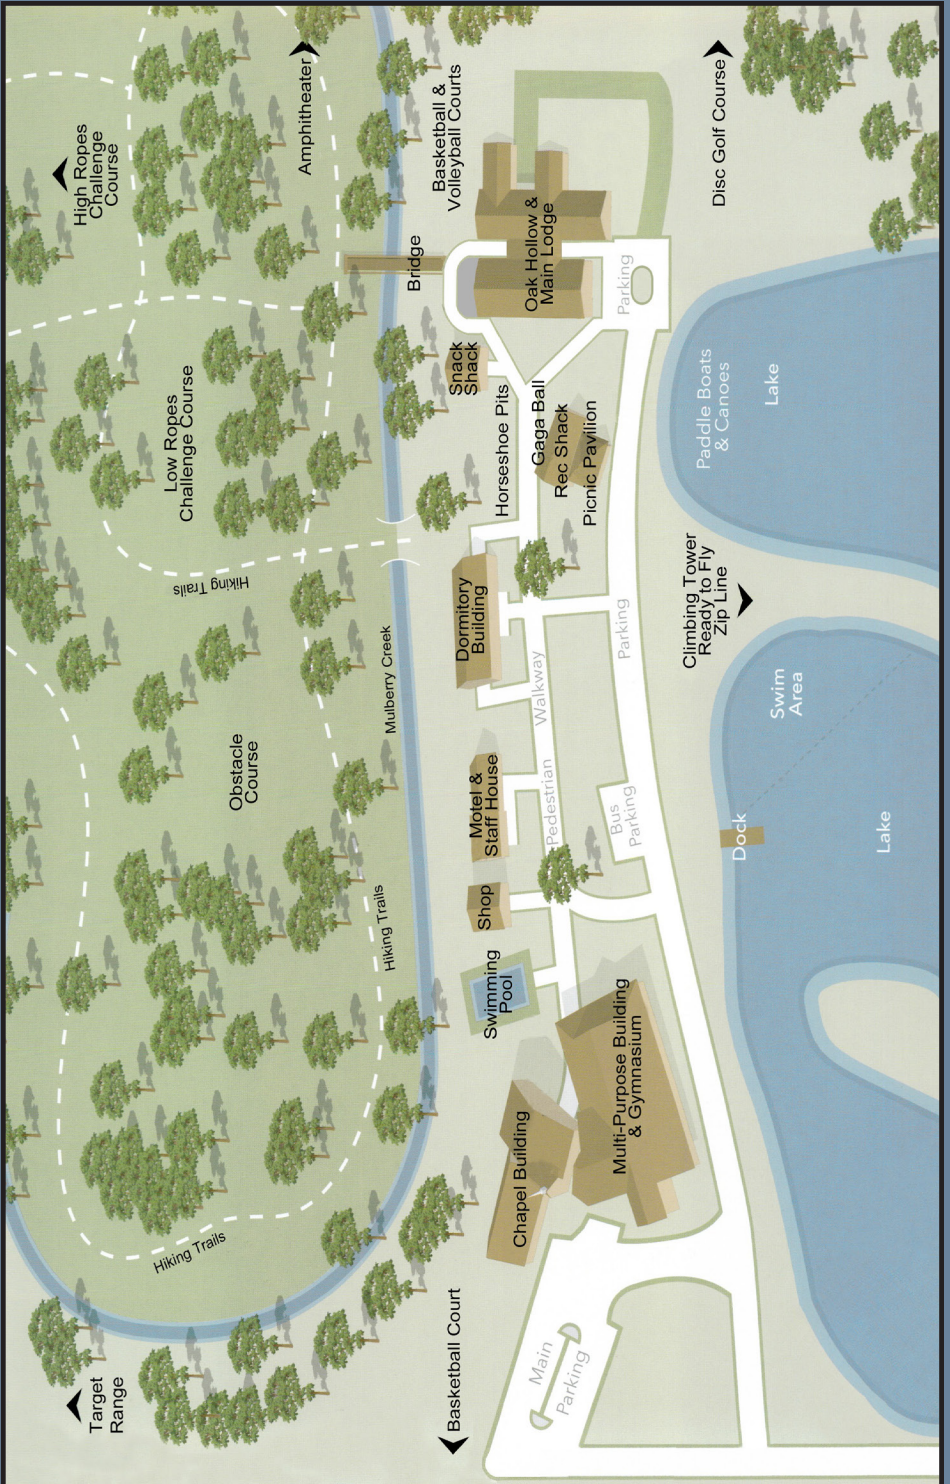

Share:

Think of one person you can encourage this week. Maybe it's a friend who's stressed about a test or a sibling who's upset.

• How can you share what you've learned about giving worries to God?

Additional Study:

For more about trusting God, read Matthew 6:25-34. Use the SOAPS method to dig deeper.
